SHOWING FOR GRASSROOTS – NOVICE & OPENS IN BOTH SHOWING & WORKING
HUNTER CLASSES.

**ONLINE ENTRIES £20.00 – ON THE DAY £25.00- 1ST AID £7.00 – TICKETS FOR THE
SATURDAY NIGHT PARTY IF YOU WISH TO COME ALONG MUST BE BOUGHT ONLINE
SO WE CAN CATER FOR NUMBERS £15 ADULTS - £5.00 CHILDREN UP TO 12 YRS.(SO IF
YOU CAN PLEASE BOOK WHEN DOING ENTRIES).** Evening Performance times will be set
out in our final time table.

Brief rules for the weekend...we keep it simple but will be monitored throughout the weekend

On arrival please wait for someone to park you or if hook up requested show you where you are allocated a space. If there is no one about at the time of your arrival at the gate you may park up but it will be necessary for you to park neatly (not just dump lorry /trailer) in a open space, we do need everyone to follow on how parking has been started. If you have booked a stable/hook up your attendant will guide you to where you need to be. Or park up & come to the entry office located opposite the indoor arena where someone can help!. Parking anywhere someone may come along & ask you to move!.

Dogs can travel with you, but on no accounts must they run free, children also must be under supervision, we hold no responsibility for any harm coming to goods or persons or animals due to irresponsibility or carelessness. Do make sure your vehicle when left unattended is secure at all times. Litter, is a big bone of contention at events, we can never understand why fellow animal loving people can just be happy with throwing litter on the ground and leaving it there, animals are in this environment at all times and can injure or harm themselves, plus its very unpleasant for others. So please, please, please if you have litter, or mess of any kind, please dispose of it in any muck trailer/bin as there will be plenty dotted about over the weekend. There will be medics on site to attend anyone who may have a fall. If you do have a mishap with your pony we do recommend that you visit our medics for a check up we know you're a hardy lot but we don't wish for anyone to suffer when there's no need. We recommend that individuals do carry their own public liability insurance for your own safety, again the venue & the event organisers do not hold responsibility for an individual's actions, loss or damage. So please be mindful of others & stay safe.

On arrival, you do not need to go to the office as you will have already been allocated your back number when you do your entries, you can make this yourself or bib nets work extremely well. You will only need to go to the office to do entries on the day.

We do not take card payments, so cash only if this is possible, failing that we can accept bacs, details will be given on the day.

Trophies won (evening performances only) are subject to a deposit taken of £15.00 if you want to return – or if you wish to keep them a payment of £25.00 for cups - £45.00 for the big plaques which are normally £100+ each. Cash or bacs acceptable.

Arena UK will have food on the premises, but we advise if you are turning up Friday afternoon/eve that you bring your own refreshments.

All classes will be subject to judge's discretion, if they feel the competitor has entered a wrong section willingly ie knowing their exhibit is not a novice or a grassroots exhibit they run the risk of having themselves removed from the class. So please be mindful when entering your classes that you know & understand the rules. GRASSROOTS – is for either a grassroots exhibit or exhibitor of any age. NOVICE SECTION is for Novice exhibitors/exhibits any age. THE OPEN SECTION anyone can enter this on the understanding they must be capable of handling/riding in

a ring full of open exhibits, & be confident on a canter/gallop go round!. If you feel this would be too much for you or your exhibit please choose Grassroots classes.

Definition of a Grassroots exhibit or exhibitor. Either animal or person who has not done showing before or has had limited experience at showing or may still be learning & very nervous.

Novice exhibit or exhibitor. Either animal or person will have attended some shows but may not have won or been placed at high level, more than 4 times (excluding novelty classes). Needing more experience under their belt before moving up to Open Classes, ideal if you are still nervous of mixing with open exhibits!

Open exhibits & exhibitors. Open to any rider or animal that can comfortably cope with fast paced go rounds, do individual shows that may include a gallop, show ring etiquette and manners to their fellow competitors, knowing if their exhibit becomes unlevel in any way, to retire, to not cause undue pressure or stress to their exhibit.

Snaffles allowed for lead rein & 1st ridden (no gags) with the exception of wilkies!, all lead reins must be attached to the nose band. Spurs allowed only in Open classes. Novice sections Pelham's are allowed with D rounding's or 2 reins. Please no double bridles in the novice/grassroots classes. No schooling whips in classes. All riders must wear hard hats, if you wish to wear a bowler/topper you must sign a form before you enter the class!

Riding & Handling exhibits at all times protective hats & foot wear must be adhered to at all times.

Children must not be sat on ponies without a hat irrespective of whether the pony is moving or not.

Showing attire is not essential for grassroots but we do wish for everyone to keep smart & clean where possible as turnout is a big part of showing , but correct head wear & foot wear is key!.

Anyone who is unfamiliar with correct dress code, you can see what fellow show competitors wear by visiting tack shops/googling online, looking at snaps on the internet in classes similar to those you wish to take part in. These offer invaluable advice to the grassroots who sometimes may be unfamiliar with dress code. Examples of questions often asked. What colour jacket should i wear with my cob / welsh/ hunter & so on, what colour jodhpurs would go with my jacket, what type of hat/cap is best for in hand, all these questions are asked often, they can easily be answered or found online .

On arrival you'll have found your stable, got your horse settled in & walked around to familiarise yourself with Arena UK & its facilities. There are showers & toilets next to the indoor arena, the office is just opposite. All the rings will be displayed on a map which will be pinned up in the office. The office will be open Friday 5pm till 7pm Saturday morning from 7am & Sunday morning from 7am.

Entries can be made on the day at a higher rate, but we cannot give refunds, hiring the Arenas & paying of judges, & helpers & all the costs of running the event is immense, & all has to be paid for up front. so do be sure when entering you can attend, any large event will be run the same way!.

Classes clashing, again please be mindful when doing entries that you make sure your timetable is as smooth as possible to manage for you & your charges/ helpers/jockeys. We cannot be held responsible if you've booked yourselves into 2 classes that end up running at the same time in 2 different rings. It is very difficult to put start times to classes as it depends on how many entries are in it, there might be 1 so it may take 10 mins to judge or there may be 20 so could take a hr to judge, so please do not keep asking about clashing classes as we cannot help you there.

Above all we want the Masters event to run as smoothly as possible, so it is important that all on this busy weekend be mindful & look out for each other, be helpful, be kind & enjoy. Any issues at all with anything by all means do report it to an official or at the office where we will do our utmost to sort.

RING 1 - GRASSROOTS SATURDAY 4TH JULY – START TIME 8.30 am.

JUDGE - NATALIE HUDSON

Each class will have an extra award given the “SHINING STAR”. All presented (given to one person in each class that has been unplaced) have their own section in the evening performance.
